Angular Community

ngVikings 2018

Angular Community

Be a part!

speak about it

contribute to GitHub

answer questions on online forums

tweet about it

attend meetups / events

learn

Angular Community

...but first

Code of Conduct!

https://github.com/angular/code-of-conduct

http://confcodeofconduct.com/

Angular Community

speak

https://angular.io/events

other community-driven events (ng-anything)

local events (like this one!)

**we are looking for potential speakers
& anyone who would like to help our meetup!**

Angular Community

contribute

github.com/angular/angular/issues

is:open is:issue label:"help wanted"

Angular Community

tweet

attend meetups

learn

Angular Community

y tho?

same reason why you're here!

you learn

you pass that knowledge on

you make new friends

you meet new people

you share your experience

you see that someone out there is facing the same issues like you

makes you feel stronger!

Angular Community

join us

help us out!

be a part

attend our meetups

talk

participate

That's it!
